

2009 Super 9 AC

The Super 9 turns heads, there's no denying that - and with a vibrant colour pallet and graphics package you will be attracting all kinds of attention! Sports tires for confident riding with a high stance and low centre of gravity create a sport bike feel and offer great handling capabilities. The two stroke engine offers superior acceleration and the large front disk brake provides unmatched stopping power - the perfect combination for an exhilarating ride!

Additional Features: 2 piston floating front caliper in red, cross drilled front rotors, high stance low center of gravity, adjustable rear shock, low oil light indicator on instrument cluster, vibrant colour schemes with graphics, colour matched aluminium wheels, DOT approved headlight with high and low beam, spring loaded side stand, sturdy center stand, under seat storage, aluminum folding rear foot pegs, 7 litre fuel capacity.
